Judge & Jury

Event Outline:

Arriving at 7pm, guests are led to the Painted Room, originally used as a robing room for the judges, and welcomed with a glass of sparkling wine. Guests are then taken on a historical tour and led inside one of the magnificent Court rooms of this breathtaking Grade I listed building.

On returning to the Painted Room guests will learn the art of wine tasting and will be able to determine key features such as the colour, nose and palate of wines.

The Judge & Jury wine challenge will then commence as our panel of judges invite guests to sample a range of wines from around the world. Each guests will be given a wine to taste whilst the panel of judges present 3 different opinions and descriptions of the wines. However only one judge is right, so guests will have to make an educated guess as to the correct description. There will be 8 different wines to appreciate and identify with some fabulous prizes to be won.

The event will finish at approximately 9.30pm.

Our Package includes:

- Exclusive hire of the Painted Room
- Sparkling wine on arrival
